THE EASY ROAD LEADS TO ENSLAVEMENT THE HARD ROAD LEADS TO FREEDOM

- Operation 'Covid Shield'.
- Scomos' plan to utilise the military to 'facilitate' the rollout of the covid 'vaccine'.
- State and Federal governments threatening citizens.
- 'We won't get back to normal' until everyone is vaxxed.
- Interstate 'vaccine passports'.
- School children 'mistakenly' jabbed in Sydney.

We have tolerated a minority group of elites who live by their own set of rules, while the rest of us abide by their restrictions. Quarantine facilities are being built right now for what Scomo refers to as 'returned travellers', who is travelling overseas?

Certainly not you and me.

It is time to WAKE UP

- 1) Freedoms and human rights are not granted by government, therefore cannot be taken away by government.
 - 2) Our children are suffering. Our elderly are suffering. We all are suffering. It is unnecessary.
 - 3) Forcing people to sign in with QR Codes or ANY OTHER MEANS is unlawful. STOP COMPLYING.
 - 4) Forcing people to wear face masks is unlawful, FREE YOUR FACE!
 - 5) Coercing people to take an experimental injection is unlawful, THERE MUST BE CONSENT!
 - 6) There is no pandemic in Australia. The media is the virus.
