We have tolerated a minority group of elites who live by their own set of rules, while the rest of us abide by their restrictions. QLD Premier caught with her pants down not wearing mask at a day at the races. The delta variant isn't deadly as long as you are taking a photo.

It is time to SAY NO

- 1) Freedoms are not granted by government therefore cannot be taken away by government restored, and then taken away again.
 - 2) You do not have to wait until the mask mandates end to FREE YOUR FACE. TAKE IT OFF NOW!
 - 3) Our children are confused. Will you be able to look them in the eye years from now?
 - 4) We can't visit loved ones in hospital or attend funerals.
 - 5) The government is threatening us with the military. The ADF is a 'DEFENCE' force, not an 'OFFENCE' force against it's own people.
 - 6) There is no pandemic in Australia. The media is the virus.
