

# Are you starting to question the govt and media narrative?

Something not quite right?  
Does the world seem to be going insane?

YOU ARE NOT ALONE. It's ok to ask questions.

*Why is Australia suffering so many covid deaths at the moment  
when the media says 90% of people are vaccinated?*

*Isn't the vaccine supposed to protect us and  
is safe and effective?*

*What is Monkey Pox?*

**Roobs Flyer Monthly Magazine** is an independent, old school publication designed to provide a much needed counter narrative to the constant stream of fear porn generated by the government and mainstream media.

An affordable, informative and often humourous tabloid, each edition includes interesting contributor articles, local/world news, a political correspondent, letters to the editor, a crossword, puzzles, competitions, jokes and more...

- 1, 3 & 6 month subscription options.
- Advertising, editorials & sponsorship available
- Small Business Directory
