

# STAND UP AND VOTE

Your FREEDOM depends on it.

**IT'S NOT THE GOVERNMENTS JOB TO PROTECT  
MY HEALTH. IT'S THE GOVERNMENTS JOB TO  
PROTECT MY RIGHTS. WHEN YOU TRADE LIBERTY  
FOR SAFETY, YOU END UP LOSING BOTH.**

At this upcoming federal election we must vote for those who **STAND UP for our freedoms**. We have created **StandUpandVote.com.au** to **educate** and **empower** you on how to vote.

We will be polling **ALL candidates** in **ALL electorates** on their polices and values when it comes to our freedoms and sharing this on our website.

We are not a political party, nor are we associated with any political party.

# STAND UP AND VOTE

Your FREEDOM depends on it.

WE ARE GOING TO NEED AN ARMY OF  
BIG BOOTS TO PROTECT THE FUTURE  
GENERATION OF LITTLE ONES

If this campaign is to be successful we need people from **every electorate** in **each state of Australia** to help spread the word.

From **sharing the campaign with your network** to **distributing flyers** in your community or joining our team at the **polling booths**. Every contribution is valued and will make a difference.
