

WHAT 'SMART CITIES' REALLY MEANS FOR YOU!

There is now smart city
governance initiatives in
36 countries worldwide.

World Economic Forum
weforum.org

DIGITAL ID

REAL TIME DATA/TRACKING

15 MINUTE TRAVEL LIMIT WITHOUT A PERMIT

NO More camping holidays by the river.

NO More weekends away.

NO More choosing which doctor you want to see.

NO More choosing which school your child will attend.

ALL your **money, shopping, travel, entertainment, daily activities** and **carbon footprint** will be tracked and monitored by your digital ID.

If you exceed any regulations set by the government you will be
DENIED ACCESS to everyday activities.

Local **COUNCILS HAVE ALREADY AGREED** to bringing in
the SMART CITIES agenda.

Does this sound like the Australia you know?

Does this sound like the future you want for you and your family?

DID YOU SIGN UP FOR THIS?

If you care about these things - **SHARE** and **STAY INFORMED**
Join a local community group and be a part of the conversation. It's time to stand up
for ourselves and the future of our country. Before it's too late!

Simple things make an impact.

**Let your local council know what you want. SAY NO to a digital ID and a
Chinese style social credit system.**

Do not support cashless businesses and use CASH wherever possible.
