

VOTE

NO

The Australian Govt are bias in their promoting of the upcoming **Voice To Parliament** referendum. The Yes vote campaign features heavily in the mainstream media and is backed by huge sums of corporate dollars.

While anyone who promotes the NO vote is labelled a racist, vilified in the mainstream media and censored heavily. How is that fair?

The purpose of this flyer is to give YOU, the Australian Public,
A FAIR GO!

***THE AUSTRALIAN
CONSTITUTION IS RACIST.
